

KID ART COMMISSION *with Kelly Terrell Art*

The Process

As Cheekwood's former camp director and community coordinator and a preschool art teacher, I am a professional at making beautiful messes:) The goal is to have an amazing art experience, leave the mess in my studio and go home with a priceless masterpiece created by your child(ren). I will provide various materials and show different techniques, but mainly take their lead. The kids create the "underpainting", and I finish it up when it's dry. I will make sure the finished product is what you had in mind to hang in your home.

Other Artsy Details:

- Studio sessions are in 1 hour blocks. Some kids work really quickly, while others don't. No pressure on your child to do either! It will all work out:) One 24x24 or smaller tend to take about 30 minutes.
- Prior to visiting the studio, we will discuss canvas size and color scheme via email. Scheduling is subject to availability and on the weekends.
 - Email kelly@kellyterrellart.com with questions. Schedule online at kellyterrellart.com.
